ACADEMIC DETAILS

Examination	Institute / Board	Year	CPI/%
B.Tech (CSE Cyber Security)	Graphic Era Deemed to be University	2024 - Present	8.48
12th (Science)	M.A.J. RN Kapoor DAV Public School (CBSE)	2024	77%
10th	The S.D. Vidya Public School (CBSE)	2022	86%

FIELDS OF INTEREST

- Software Development Engineer aspirant with an extensive background in Cyber Security, Ethical Hacking, and AI-based solutions. Proficient in designing secure systems, embedded hardware tools, and applications powered by AI.

TECHNICAL SKILLS

- **Programming Languages:** C, C++, Java, Python ,Javascript
- **Cybersecurity:** Ethical Hacking, Cryptography, Network Security, Web Security, Penetration Testing
- **Core CS:** Data Structures, Algorithms
- **AI/ML:** Machine Learning, Artificial Intelligence
- **Technologies:** IoT, Blockchain

INTERNSHIPS & EXPERIENCE

- **Ethical Hacking Intern at Ethical Edufabrica Pvt. Ltd. (Alma Fiesta, IIT Bhubaneswar)** *Dec 2024 - Jan 2025*
 - Underwent training and internship on Ethical Hacking.
 - Developed an encrypted and decryption Tool project, implementing cryptographic concepts and secure logic handling.
 - Demonstrated analytical skills and efficient task management during the internship.
- **Cyber Security Intern at EdiGlobe (at Zhagaram Technologies)** *Aug 2025 - Oct 2025*
 - Completed Cyber Security internship by working on practical implementation of ethical hacking concepts, vulnerability analysis and solving real world security problems.
 - Successfully done one minor project and one major project under Cyber Security program.
- **Cyber Security Intern at Department of CSE, Graphic Era Deemed to be University** *01 Jun 2026 - 10 Jul 2026*
 - Built **Kavach**, a ransomware defense system using Python watchdog for real-time files monitoring and uses IsolationForest ML for anomaly scoring.
 - It uses decoy honeypot files, process termination via psutil, file quarantine, and backup restoration.
- **Research Intern at Technology Business Incubator, Graphic Era University (TBI-GEU)** *01 Jun 2026 - 14 Aug 2026*
 - Conducted research in security for AutoRed-LLM: An Adaptive Automated Red-Teaming Framework for Security Assessment of Large Language Models.

PROJECTS

- **ESP32 MultiTool – Portable Pentest Device**
(ESP32, C++, Inter-ESP UART, I2C, SPI, SD Card, IR)
 - Built a ESP32 hardware security device with OLED/LCD dual displays, SD card logging, and TSOP1738 IR capture/replay blaster.

- Also perform 2.4 GHz/5 GHz WiFi network auditing and Evil Twin AP framework with DNS redirection, captive portal hosting, and credential logging.
- **Kavach – AI Real-Time Ransomware Defense System**
(*Python, IsolationForest ML, Watchdog, Psutil, Flask*)
 - Built a ransomware defense System using Python watchdog monitoring and unsupervised Isolation-Forest ML anomaly scoring.
 - Implements decoy honeypots and automated mitigations including process termination, file quarantine, and backup restoration.
- **Decentralized Secure Online Voting System**
(*Cybersecurity, Blockchain, AI, Biometric Security*)
 - Built a multi-layer secure digital voting platform integrated with biometric verification, AI-based face and anomaly detection, and blockchain vote integrity.
- **AI Customer Support & Voice Automation System**
(*AI, Voice Systems, Web Speech API, Automation*)
 - Built a voice automation platform capable of handling promotional calls and intelligent inbound customer support Ai Agent using real-time conversational AI.
- **FluxDrop – Encrypted P2P File Transfer**
(*WebRTC, WebCrypto API, ECDH P-256, AES-256-GCM, Node.js*)
 - Built a serverless P2P file sharing platform using WebRTC data channels and WebCrypto API with zero cloud server storage.
 - Uses a Dynamic QR pairing mechanism using ECDH P-256 key agreement and streaming AES-256-GCM encrypted chunks for the Connection.

CERTIFICATIONS

- CEH (Certified Ethical Hacker) - EC-Council Certified, 2026
- CSA X CON 2026 Training Completion - Cloud Security Alliance Uttarakhand Chapter, Mar 2026
- Ethical Hacking Certification - Ethical Edufabrica Pvt. Ltd. (Alma Fiesta, IIT Bhubaneswar), Jan 2025

HACKATHONS & COMPETITIONS

- ENCODE 2025 - IIT Guwahati: Human-like AI Voice Automation & Customer Support, 2nd Position
- ICP World Computer Hacker League (WHCL): Decentralized Secure Online Voting System, Global Rank 268 - Regional Round Finalist
- GEHU CTF - TechniEEEks Phase 3: CTF, 3rd Position (Solo)
- MODEL FORGE - Machine Learning Competition: ML Model Optimization & Building, 3rd Position (Solo)
